	Septic tanks sealed package	bezpl.

Tyke house plan is suitable house for a family of four people. House is covered by a hipped roof and built on a rectangular plan. Building is suitable for on a narrow plot. With the entrance to from the narrow end. House has a width of just over 8 meters and will fit to the 15 meters plot. Inside house on a small area managed to design a comfortable, four-room apartment with a technical background, consisting of: a spacious living room with kitchen, three bedrooms, bathroom, toilet and boiler room. In the living room were designed central fireplace and wide glass door to the garden terrace. From the kitchen window you can also enjoy the garden and terrace. From the outside, tasteful house refers to the architecture of mansions, in the modern sense. Entrance porch on small columns, window shutters, or rusticated corners - all these elements fit perfectly into the gentle hipped roof. There is also available mirror version of this house plan.
