Breeze 2 house plan is a variant version of the Breeze house. From the basic version of Breeze, Breeze 2 house plan differs it enlarged, garage for two cars. Breeze 2 is a small house for the family of 4 - 5 people, which can be adapted even on a small plot. Simple, easy to build body of house has been covered by a gable roofs. This house plan allows on connection of two semi-detached houses in the semi-detached house contacting by garages. On the surface of less than 140 m<sup>2</sup> three rooms on the top floor, a living room and an extra room on the ground floor have been designed. In the attic of the house, above the garage, the attic can be adapted for two additional rooms. In this house plan two utility rooms available from the garage have been designed. There is also a mirror version of the Breeze 2 house plan.
