### CENA PROJEKTU: 940.00 \$

Peaceful house plan is a detached house for a family of 4-5 people with attic, covered by gable roof, with built another garage. This small house has itself all that you need for comfortable living of each family. Its appearance, traditional style of architecture - creates an aura of solidity. Thanks to its design small building seems to be bigger and more presentable. Access to the house emphasized nice roofed supported by small columns on the side. Its appearance, traditional style of architecture - creates an aura of solidity. Thanks to its design small building seems to be bigger and more presentable. Access to the house emphasized nice roofed supported by small columns on the side. Its appearance, traditional style of architecture - creates an aura of solidity.
