Like a dream 2 house plan is an enlarged variant version of the Like a dream house plan. In addition to the functional layout on the ground floor, also the attic is designed to free adaptation and the garage with utility room was built on. The building stands out is has interesting, traditional solid. The hipped roofs and entrance portico refer to the aesthetics of Polish manor house. Simple construction of house allows for possible changes in the interior, and for the construction stages. This house plan is also available in mirror version.
